2010 ARTS GRANTS APPLICATIONS AVAILABLE

Orange County Executive Edward A. Diana and the Orange County Legislature are pleased to announce that applications are now available for the 2010 County of Orange Arts Grants. Grants up to \$7,500 will be awarded to individual artists and organizations in Orange County to support artistic and cultural projects accessible to the general public. Grant recipients from 2009 are not eligible for the 2010 cycle. The deadline for acceptance of applications is 3pm, Friday, April 9, 2010 at Orange County Tourism, 124 Main Street, Goshen, New York, 10924.

“We are offering these arts grants for the eighth consecutive year because it is imperative to support the creative community that helps make Orange County a vibrant place to live and visit,” stated Diana.

Visit www.orangetourism.org and click on “The Arts” on the home page menu for access to grant criteria and the electronic application. Microsoft Word 2003 or a later version is necessary to complete the application.

Workshops that review the application process are offered through Orange County Tourism, 124 Main Street, Goshen. Two identical sessions will be held on Thursday, March 18, 2010 from 10-11am and 4-5pm. Attendance at the workshop is recommended for first-time applicants to the program, but is not mandatory to apply. Reservations are required as space is limited. Call 845-615-3860, or email rlust@orangecountygov.com.
